Like natural ledgestone found in the hills of Tennessee, our Ledgestone has stunning character. A rough dimensional surface of varying heights and depths creates contrasting shadows that enhance the beauty of this versatile stone. Easily installed, our unique 1” to 6” in height and 6” to 18” in length pieces stack neatly together creating a uniformed appearance.

OLD WORLD
Our Old World is replicated from original hand chiseled foundation stones salvaged from a local 19th century structure. Old World stone, in its striking colors and numerous oversized pieces, has a majestic appearance. This stone ranges in size from 1” to 18” in height and 4” to 23” in length.

Left: Grigio Old World
Blends are unique combinations of a variety of stones. This exclusive blend creates a natural feel with significant size variations. With rough textures and dimensions, Blends add an authentic warm ambiance to any project.

Left: Bolzano Blend
Casa di Sassi’s Fieldstone is tailored from stones originating in the highlands of the New England states. Along with a handsome, rugged texture, our Fieldstone is dressed with distinct edges for a tight fitting application. This stone ranges from 2” to 10” in height and 3” to 18” in length.

LIMESTONE
Replicated from mid-western quarried stone, this collection is a classic example of stone native to Indiana and Ohio. Our Limestone is available in various natural colors. The rectangular and square coursed stones range from 1” to 12” in height and 4” to 21” in length.

COUNTRY RUBBLE
Casa Di Sassi’s Country Rubble is a new profile for 2017. These irregularly shaped stones are designed to fit well and create a rugged appearance. Each stone was hand picked for both size and depth of texture to give a truly unique appearance.

Left: Murano
Right: Matera
Casa Di Sassi’s Kwik Stack is a new profile for 2017. This modular panel stone comes in 4” heights and random lengths. Each piece is made of many smaller stones hand picked to create natural edges and a dry-stack look.
